Outline of travel and accommodation logistics	<p>Trip was complicated due to the shortage of hotel accommodation in and around Dortmund during the week due to a Champions League game taking place in Dortmund on the Wednesday. This necessitated a change of hotel for one night however this turned out to be fairly easy for the athletes and cannot be used as a contributing factor for poor performances. Otherwise travel was fairly easy and trouble free.</p>																																																				
Outline of Competition logistics	<p>All shot in electronic targets on the indoor ranges in Dortmund. Only the 10m and 25m scores would count towards CG2014 Qualification as indoor scores do not count for the 50m events.</p>
