

(1) Please print your name clearly in the box marked competitor and then tick the box for the competition(s) you wish to take part in. If you tick the wrong box just fill the box in, if you wish more than one entry for a particular competition just mark the number of entries you wish to have in the box instead of ticking it.

(2) For the team competition please mark the individuals who are in the team by putting an asterisk after their name, if there is more more than 1 team please put a 1 or 2 next to their name instead of an asterisk.

For the Club Secretaries or Organisers

This is an attempt to simplify the previous entry forms, once all the entries are in all you need to do is add up the numbers in each column and multiply by the appropriate competition fee to get a total per comp. and then add all the totals up to give you a final total for the cheque made payable to the Scottish Pistol Association or the S.P.A.. If you run out of space on this form just let me know and I will send you another.
